## Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.  
 We are so glad you're here!

Our lives consist of many things, activities, and people, some of which, are much more important to us than others. One key to living well is to actually make the most important matters, most important. The same is true in the all-important matter of Christianity. To live well in Christ, we must place a premium on the things God says are most important. Today, we consider the message of first importance in Christianity.
