### Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

Sometimes when things begin to get bad, we try to overcompensate for what is going on. Like when we are skidding across the road out of control in our cars, the only way to truly come out of the skid isn't to overcorrect, but to steer into the skid. Peter denies Jesus out of fear and reaction to everything falling apart so fast. Jesus knows what must take place, so He allows Judas to betray Him and allows the Romans to arrest Him. If we want to experience the glory to which God has called us, then we must fully step into God's light and be open about the difficulties going on in our lives. This is the most difficult part about healing from our hurts, but it's also the most important part as well. We must fully embrace our pain in order for God to help us overcome it.
