Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
 We are so glad you’re here!

The notes in many Bible versions say that Mark 16:9-20 was not a part of the original Gospel written by Mark. It appears to have been compiled early in the second century based primarily on the other Gospels. Because of that, its basic message is still true, right, and beneficial. But there is another way of thinking about how the Gospel of Mark ends that may be better and closer to the spirit of the book of Mark as a whole.
