Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
We are so glad you're here!

When we are not satisfied, we often look for ways to improve ourselves or our situation. If it is our individual lives, we look for a new job or go back to school. We start a new hobby or make new friends. When it is the church we are not satisfied with, we may add new programs, firm up our doctrine, seek to be more relevant, or change our methods. Any of these things may help our lives and congregation, but none of them is our primary need. What we most need is....the subject of today's message.
