Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
We are so glad you're here!

Back to School Blessing

The closest bonds that we share with people on this earth are usually the ones that have lots of stories and experiences to go along with them. This is no different with our relationship to our Creator, His Son, or the Holy Spirit who all have walked beside mankind before in the Bible. One of the reasons that teachers are so valuable to our world and society is because of how many shared experiences teachers and students have together. If we truly want to impact the world for the cause of Christ, then we must stop telling people what to do and walk alongside them as they learn just like God did and continues to do.
