### Prayer Request

- ◆ Vicki Hernandez – Prayers for my mom, Janet Everett and dad, Ron Everett. He has been diagnosed with Alzheimer’s and my mom is having back surgery on September 5<sup>th</sup>. I will need to travel a lot more – so prayers for Elena and I as well.
- ◆ The Griffin Family – dealing with family issues and finances. Micheal Williams – he had a heart attack last Friday and he is doing well.
- ◆ For my family as we lost a loved one who had liver cancer and please keep my children in prayer.
- ◆ For my children to be safe and surrounded with love and the strength to get through all the hardships they are facing and for my husband to be strong and stay on the right path.
- ◆ Prayer for the women at the VOA and the women who have left that they make it by God’s will.
- ◆ Prayer that myself and children continue the path of the lord.
- ◆ May we all have the ability to walk through our days with love and compassion. May my “sisters” and I always have the strength we need each day.
- ◆ For my three boys. May God keep them safe and fill their little hearts with love. For their foster parents.
- ◆ Greg Goodin—pray for Barbara and her sister, Catherine, that have both recently put on hospice. They are Greg’s aunts. Also for Greg’s daughter, Tiffany, as she recovers from surgery.

### Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.  
We are so glad you’re here!

Work in something most all people have in common at some point in their lives. Needless to say, work can be difficult and challenging. There are many benefits and opportunities in our jobs, but there are also many ways we can go astray. The Bible doesn’t answer all the questions we may have about working, but it does give us some wisdom for work that can help us stay on course.
