## SAVE THE DATE OCTOBER 27<sup>TH</sup>

It is nearly time for our Fall Special Offering which is primarily used to repair, refresh, and update our over 30 plus year old, aging facility. Throughout the year we receive, from our members and visitors, many suggestions that address the building needs. These ideas are collected, documented, and reviewed by the Building Committee. This year, with the help of your suggestions and generous giving, we were able to address three major projects.

1. *improved our main covered entryway to be more accessible for everyone and ADA compliant*
2. *refreshed the men's and women's restrooms located near the church offices*
3. *refreshed and improved the middle school and high school rooms*

Watch the bulletin and listen for announcements regarding the three projects proposed for next year.

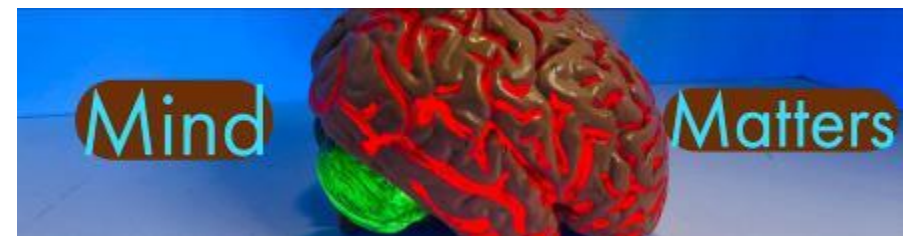

We thank you for your prayers and planning that helped our projects in the past. Please pray and plan to help support the new maintenance projects for the coming year.

## Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.  
We are so glad you're here!

Our minds have an extremely important role in our relationship with God. Unless we deliberately cooperate with God, our minds will be spiritually unhealthy and hinder us in many ways. What is the mind, according to the Bible? And how does it get to be such a problem for us? Today, in the first lesson of a new series on Mind Matters, we'll consult Romans 1:18-32 and 8:5-8 for some answers.
