Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

Hopefully our previous messages have helped us see the need for our minds to be renewed. Today we begin that process with repentance. Unfortunately, the words repent and repentance have been overused and misused so much that we may not really understand them or even want to consider them. It is imperative that we do, however, because repentance is the beginning of the renewal of our minds.
