Loving Like Jesus

# NorthWest Church of Christ

October 7, 2018

## Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

We all get annoyed by people who think they are always right but seldom think we could be one of those people. It seems to me, though, that the most authentic way to apply Mark 12:18-27 to ourselves is to allow Jesus' dealing with the Sadducees to help us face the very real possibility that we could be wrong about some of our spiritual ideas, beliefs, and practices. Thankfully this passage gives us some ways to avoid being wrong as well.
