

## What is your Ministry?

Ministries come in all sizes. Just like we do. Ministries require all types of talents. Just like we have. Ministries are for all ages. Just like we are. Ministries, doing God’s work, are the lifeline of the church. If only we knew what ministries are available and which are a fit for us. Today we will solve that problem. In all three lobbies we have a brochure titled “Connected Through our Ministries”. The brochure lists the current ministries at NorthWest and the Ministry Leaders for each. We have great ministry teams and leaders, but we need more help. Please spend some time this week reviewing our Ministries and determining which ones are a good match for your talents and interests. If you would like additional Information about a specific ministry, please contact the ministry leader listed. Some of the ministries have a ministry specific brochure in the main lobby describing their work on a stand near the sign “Get Connected”. Please take a copy or copies and review during the week. Next Sunday we will be asking the congregation to complete a paper or QR code survey titled “Opportunities to Serve”. We will ask everyone to complete this survey by indicating which ministry(s) you are interested in becoming involved. A leader(s) from that ministry(s) will contact you with additional information regarding the ministry and how you can connect. This week, please Study, Pray, and decide how you can Serve.
