

Surviving Storms

Surviving the Storms

Luke 6:46-49

July 12, 2020

For further reflection, discussion, and prayer

1. What is the worst literal storm you were ever in? How did you feel? How did it affect you?
2. List all the figurative storms you are in currently and rate each one as Category 1- 5 (5 is worst).
3. Which of the three keys Jesus gives us for surviving storms comes most naturally to you: coming to him, listening to him, or putting his words into practice? Which comes least naturally?
4. How can you use this information to help you get through the storms you are facing currently?
5. What could you do to make these things a regular part of your life to help you be better prepared for storms that are coming in the future?
6. Will these things help us survive the great storm of judgment that is coming at the end of the age? How so?
7. What Jesus teaches here may not be the kind of information you think will help us survive a storm. Does the kind of information he does give us provide any insight into what the real danger of a storm is?
8. Do you think Jesus is saying v. 46 to you right now? If so, what do you think he is feeling? What would he be saying this to you about?
9. Pray that God will open your heart and open your eyes and show you something you need to hear and put into practice. Then read the sermon from Luke 7:17-49 and see if anything stands out to you. What do you feel called to do in light of this?
10. What is your take away from this passage?
