

We Are a Family Formed By Love

We believe that before time began, God, infinitely wise and holy, purposed to graciously extend and display His eternal love beyond Himself. Creation was not an accident nor merely a display of power. It provided the setting for a loving family relationship with Him.

Because genuine love requires choice, God created humanity with freedom. Sadly, we have all chosen sin at times, separating ourselves from Him, yet God's purpose remains. Thus, in love, God sent his Son, Jesus Christ, to this world to teach people how to live and to give His life as a sacrifice for our sins. Through the death and resurrection of Jesus, forgiveness and reconciliation become possible.

God invites every person into His eternal family. God's gracious gifts of salvation and eternal life are not earned, they are received through faith expressed in repentance, confession of Jesus as Lord, baptism into Christ, and faithful allegiance to Him. Those who believe in God and his Son, and follow his guidance are adopted as God's children and become citizens of Christ's Kingdom, His family, living in a hope of eternal life.

From Genesis to Revelation, the Bible tells the story of God gathering a family of people from every nation who choose to love Him. One day, the temporary will give way to the eternal, and his redeemed people will live with Him forever, His eternal purpose complete.

Our desire is that all people come to know the depth of God's love, believe, receive grace and share in the blessings and joys of an everlasting relationship with Him. All are warmly invited to learn, ask, seek and discover, and experience the love for which we were created.
