

Becoming Like Our Teacher
Luke 6:40

1. Pray that God would open your heart and help you to see something you need to see about becoming like your Teacher.
2. Start reading anywhere in any Gospel. But read slowly and thoughtfully. If you don't know where to start, begin in Mark 1:1 or John 1:1.
3. Stop when you feel the conviction that God is wanting to teach you something. This may or may not be a new insight or new information. It could also be something you see in Jesus or hear from him that you aren't doing or that you need to do more of. Or it might be something you need to stop doing or do less of! Or it might be something else.
4. Whatever it is, stop to think and pray about how you could act on that teaching. Decide a way you could put that truth into practice *before today is over*. If you can't do anything about it today, go back to number 1 and choose something else. It is imperative that we act on the word.
5. Pray that God will give you the strength, courage, or conviction you need to do what you decided.
6. Then just do it! "Blessed rather are those who hear the word of God and obey it" (Luke 11:28).
7. Email and tell me about it and I'll tell you mine. marvin@nwchurch.us
