

Ocosingo, Chiapas on September 28, 2023.

It is a great pleasure for me to be able to greet the entire congregation of the Church of Christ in Northwest in San Antonio Texas, I allow myself to address you by the support provided to be able to carry out such a wonderful work of the Lord, 5 years ago my Father Manuel Aguilar Vázquez (of whom you have reference to the work that performed in collaboration with the NW church), he departed this world but never left to have Faith in the promises of the Lord, that one day will come and all of us who sleep In the Lord we will have eternal life. He left me a wonderful treasure, which is to live in the way of the Lord, my name is Blanca Esthela Aguilar Santiz, my husband's name is Bulmaro Vázquez Ríos, I have two girls; Lilia Vázquez Aguilar is 9 years old and María José Vázquez Aguilar is 7 years old.

As children of God we must remain vigilant about being grateful for everything He does for us, we do not miss the opportunity to thank Him for those details of love that he gives us every day. How can we not be grateful in the face of a love like that? Let us remember that God's love is unconditional and lasts for always, no matter how many times we fail him, he remains faithful and willing to forgive us Gratitude to God should be a constant practice until it becomes a habit in our lives, it is important and a privilege to be able to bear witness and express to others what God does in us.

EVANGELISTIC WORK TO SISTERS OF THE CHURCHES OF CHRIST

IN OCOSINGO, CHIAPAS FROM SEPTEMBER 11 TO 16, 2023.

Thanks to our heavenly father, it was possible to visit some congregations of the municipality of Ocosingo, due to social problems in the municipality, such as blockades in road, we were not able to reach all the congregations we wanted to visit. The work that was carried out, I will detail for each day of work carried out in the different congregations, where we motivate our sisters in Christ to continue on the path of the Lord, waiting with Faith and Hope for the promise he gave us of eternal life in the presence of our Lord Jesus Christ. The male brothers from each congregation were helping to serve the food at the end of the activities.

The joy of the Lord not only fills us with strength, but also unites us. This is one joy that we should not keep to ourselves, that joy needs to be shared. As well as the Israelites were instructed to celebrate and share what they had with each other, as well. We can spread the joy of the Lord to the people we know. The joy of Lord challenges us to love our neighbors and bring the gospel to more people. When We are motivated by a joyful heart in God, we are strong and have the power to spread that joy, that happiness in our community. The joy of God is what lasts and no one can take it away from you.

Psalms 95:1-3 Song of praise and worship

1. Come, let us shout joyfully to Jehovah;

Let us sing with joy to the rock of our salvation.

2. let us come before his presence with praise;

Let us acclaim him with songs.

3. because the Lord is a great God,

And great King over all the gods.
