RISE UP SUNDAY

Today (March 28th) is our first ever Rise Up Sunday! Though we will still be having worship and class as usual, we will be meeting back up at the building at 12:30pm which should give everyone time to grab a bite to eat after Bible classes before going out into our community and serving. We will be doing a variety of service projects in the area so we are asking that you wear work clothes to church and bring any gloves, rakes, shovels, etc. to do yard work at people's homes. We anticipate these projects lasting around 2 hours so you can budget that time in your Sunday. If you have any further questions, then feel free to contact the ministry staff and we will be happy to answer or assist you. Thanks and we hope to see you in the afternoon!

Mark your calendars April 17th
for Men's Prayer Breakfast
RSVP to Kasey Hobbs or
Timothy LeRoy.
More details to come.

If you have a prayer request that you would like to share with us and have our shepherds pray over, take a picture with the camera on your smart phone of this QR code. It will take you directly to the website Prayer Request form where you can fill it out. If you have questions, call the church office.

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
We are so glad you're here!

This Sunday is traditionally regarded as "Palm Sunday" commemorating the triumphant entry of Jesus into Jerusalem. The people who cheered for Jesus as He entered were actually making a grand declaration in addition to the plea for His power and blessing over them.

Thoughts from a Shepherd

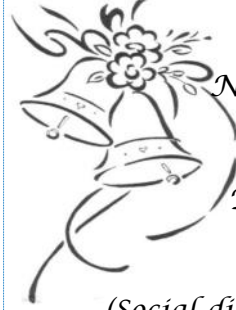

How Patient Are We?

“Patience is a virtue” is a theme or moto that most of us have heard all of our lives. Yet, how many of us are really patient in the way we live our lives? Most of us are constantly on the move, in a hurry, and anything or anyone who causes us to be “late” or off schedule is minimally an annoyance or worse. Not a lot of patience is exhibited in times like that.

Paul talks about the importance of patience or perseverance (depending on your English translation of the New Testament) in Romans 5:3-4. Patience helps build character and hope. How do you react when you are driving and someone cuts you off? How do you react when a door is slammed in your face? How do you react when a brother or sister has a different view or understanding of a Biblical passage than we do? How patient are we with our Christian brother if they do not think the same way that we do on traditions, what we should be doing, etc.? A classical Biblical case is Job and his “friends” and their advice to him when his world crashed down around him.

Patience is a Christian virtue that we all need to continuously work on. Patience is not self-centered, it is God centered.
