- ◆ Calvin K.—(Brenda Reinhard’s dad) will be having surgery next Wednesday, May 19th. He will be having a glossectomy (possibly up to 1/2 of his tongue) due to cancer. Please pray for Calvin and family during this difficult time.

Mask Update

Effective Sunday, May 23 we will be changing our mask wearing approach. To ensure we are providing a welcoming environment, during Sunday morning worship, we will designate a couple of areas for those that prefer to sit with those that wear masks. The wearing of masks will be optional throughout the building except these designated areas. We recognize that the wearing of masks is an individual preference; therefore, it should not affect our unity as brothers and sisters in Christ.

Dates to Remember

Today, we will be having a combined class in the auditorium. Our speaker during worship for the morning, Levi Mawhirter, will also be interviewed about the organization he’s a part of, where God has moved in this organization, and how we can be a part of it. We hope you will stick around and hear about how you can be a part of a special ministry to a forgotten group of people in our world.

On May 23rd, we will be having a fellowship meal in the fellowship hall during class time (around 10:30am start time). The church will be providing pancakes and drinks for everyone. All who attend are encouraged to bring a fresh fruit tray or break-fast casserole of some kind to share with everyone. The following week will kick off our summer classes so we hope that you come and spend time in food and fellowship as we prepare to kick off the summer.

CHURCH OF CHRIST

May 16, 2021

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
We are so glad you’re here!

Everybody comes from somewhere. Epic novels and larger than life films have been dedicated to origin stories to satisfy our cultural craving to know where individuals or groups come from. But what if what you have been given was more important than where you originated? Today we will continue our focus on family and explore how adoption reveals the beauty of the gospel. Join us as we seek to understand God’s heart and explore how we can reflect this in our own lives.

Thoughts from a Shepherd

In the 13th chapter of 1st Corinthians, also known as Paul's thesis on Agape love, it opens with the following;

“If I speak in the languages of men and angels, but have not love, I am only a resounding gong or a clanging cymbal.”

He continues this analogy in the following two verses, and then goes on to define the attributes of agape love. The major point bring that if love is not our motive for doing things as a follower of the Messiah/Christ, we have missed the point of being a follower of Christ. Love is to be the driving factor in being a servant of the Christ/Messiah. To that point, my suggestion is that during this coming week that you read and reread the 13th chapter of 1st Corinthians each day of this coming week.

Happy reading.
