CHURCH OF CHRIST

June 13, 2021

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

We are so glad you're here!

One body, many parts is often easier said than done. Today we will search for what Paul really means when he discusses the body of Christ. The body of Christ is a term we use frequently in the church and is certainly present in the writings of Paul. How can the body made up of so many parts that are so different properly function together? The answer may just be that we have missed what the body of Christ has meant all along.
