Prayer Requests:

- ◆ Dana Lopez—Had COVID early in the pandemic and continues to suffer serious, long term symptoms. She is undergoing comprehensive testing to find diagnoses and treatments. She is unable to work as a registered nurse case manager. Dana asks that as many as possible pray for her.
- ◆ Bill Harris—Let us continue to pray for his recovery, specifically for cognitive and physical recovery and for the entire family, coping mentally and spiritually.
- ◆ Pat Massey—In Methodist Hospital, in ICU, but is expected to be released to rehab. Pray for continued recovery, healing and for the immediate family during this time.
- ◆ David Ward—From Christian Village has COVID and is asking for the prayers of the church.
- ◆ Orlando Cordova—Missionary that NW supports in Veracruz, MX. He, his wife Nora, and their daughter Sildanny appear to be recovering but Nora is still experiencing low oxygen and has lost her eyesight. They need prayers for healing.
- ◆ Louis—Friend of Twila’s sister, was traveling and admitted to the hospital in GA fighting for his life from COVID. He was placed on a vent last week and later had a heart attack due to COVID. He is currently holding his own, not any better but not worse. Please be praying for his recovery and for his family as they are away from him. He has two young kiddos and a wife that need him. Thank you for your prayers on his behalf.

CHURCH OF CHRIST

August 22, 2021

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.
We are so glad you're here!

Sometimes it's hard to receive and give forgiveness. We study and reflect on the Lord's Prayer to change our prayer lives to make them more consistent with the character of God. It can be hard to forgive people who don't deserve it. Yet, Jesus teaches that our own forgiveness from God depends on our forgiving others. What does that mean? How can we forgive when folks continue to abuse us or take advantage of us? Is it godly to require others to "deserve" our forgiveness? Can genuine forgiveness have boundaries? Today we will be thinking together about these hard questions during worship.

COVID Update

Some of our church family have recently been exposed to COVID-19. Five have contracted the infection. As of today, all five are recovering and following quarantine guidelines, along with their families. By the way, if you see Casey and Ashley Lankford out and about in a week or so, be assured they are recovered and safe to be around. For now, they are still symptomatic and recovering at home.

We are not changing any guidelines for attendance at in person church activities at this time, but thought it would be helpful to refresh our memories.

1. If exposed to an infected person, you must quarantine. A negative test not earlier than the 5th day after exposure will allow you to return to church activities after the 7th day, or you may be quarantined for 14 days without a test. This assumes the exposed person does not show any symptoms of COVID-19.
2. For church activities, if you become sick, please stay away until the 7th day after symptoms are gone. This could be more stringent than the CDC guidelines, but it is consistent with them.
3. If you feel sick, please do not come to church activities in person (most important).
4. We will continue to have a "mask required" section in the auditorium (next to the baptistry). Masks are optional elsewhere.

Your leadership team is reviewing our situation almost daily, and we discuss it each weekly meeting. If you have concerns or questions, please ask one of the elders.

To limit exposure times, we are also reemphasizing limiting worship and classes to 45 minutes each.
