Prayer Requests:

- ◆ Sam Rodriguez—Our deepest sympathy to Sam and his family in the passing of his sister, Bertha Rodriguez. Sandra (his other sister) is still in ICU fighting COVID as well but showing some improvement. Please be praying for this family as they mourn their loss and pray for the healing of Sandra.
- ◆ Cliff & Nkiru Jarrell—Our missionary in Nigeria needs our prayers at this time. They are being threatened of closure, of forfeiture of property, of forced relocation of children, of even possible imprisonment and public humiliation by the State Ministry of Social Welfare. None of these threats do they take lightly, judging from their source. Pray for them as they deal with this crisis, for encouragement and for strength.
- ◆ Pat Massey—Pray for continued recovery, healing and for the immediate family during this time.
- ◆ Bill Harris—Let us continue to pray for his recovery, specifically for cognitive and physical recovery. Also, let's pray for the entire family, coping mentally and spiritually.
- ◆ David Preza—Pray that everybody with COVID has a complete recovery and keep us safe from the virus.
- ◆ Nathan Moran—Please pray for my close friend, Jeanette Olson. She had cancer a few years ago and it has returned and spread. She was a spiritual influence on Nathan during his time living in England.
- ◆ Andrew Pope—Twila got to see him this past weekend and he is doing pretty well and walking with the assistance of a walker. He asked us to pray specifically for he and his parents and the struggles of applying for disability and being defeated. Pray as this process continues.
- ◆ Dana Lopez—Continues to suffer from serious and long term symptoms from having COVID. She is undergoing testing to find diagnoses and treatment. Dana asked us to pray for her.
- ◆ Orlando Cordova—NW missionary in Mexico. Please pray for this family as they are recovering from COVID and specifically Nora (his wife) who is experiencing low oxygen and severe eye issues. They are in need of our prayers.
- ◆ Louis—(Teague) Please continue to pray for him, his wife and family as he is in the hospital in GA fighting COVID. Pray that his blood pressure stabilizes as they back off on the sedation. Prayers are working!

CHURCH OF CHRIST

August 29, 2021

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

We are so glad you're here!

We all face temptations daily but whether we succumb to that temptation or not, we must understand that God didn't lead us. God's promise, to us all, is to provide a way of escape. If we pray for God's deliverance, we must believe that he will indeed provide that deliverance and understand that we always have a Godly option if we will but look for it and take it.
