NWCC Most Wanted

Are you on our Most Wanted List? You are if you have not had your photo taken for the Church Directory. There are about 100 of you on the list. You know who you are, and so do we! We are on a photo hunt and will hunt you down.

Don't be surprised if you get a tap on the shoulder and someone says, "Come with me". Actually it only takes less than 2 minutes and is completely painless. Find us before we find you. SMILE

Sometime you can see the repairs needed in our building, and sometimes you can't easily see the needs. This year we have needed repairs that you may not see, but you can feel. We have two major air conditioners that are no longer working and cannot be repaired. One air conditioner is in the auditorium, and one is in the fellowship hall. These air conditioners are twenty plus years old and have served us well, but this summer has put a strain on them.

Our other major issue is our roof and the need for additional gutters. We have some insurance funds to help with the roof repairs, but our deductible is extremely high. In addition our gutters were not originally well designed, and we need to add additional gutters to drain the roof properly and try to prevent leaks inside the building.

Unfortunately both projects are extremely expensive. Our goal for the October 15th special offering is \$84,000. Please pray with us for the Special Fall Offering for the building repairs.

Our minister candidate will be visiting on September 15-17. He will be preaching on Sunday morning and then during our normal class time, he and his wife will have an opportunity to talk to the congregation. We will collect questions from the congregation between now and September 16th. The minister candidate and his wife will be answering those questions as they address the congregation. Please send your questions to the church office email address at office@nwchurch.us or give them to Frank Weaver, Rob McRay or Greg Weaver.
