SAVE THE DATE – Fall Offering – October 20

Our annual Fall Offering this year is scheduled for October 20th. Please plan to support our offering on that date. The total contribution on that day and week will go toward supporting a number of things needed throughout the rest of this year and next year.

Last year your generous offering helped with the installation of new air conditioners when 3 major air conditions failed, helped cover a portion of the huge insurance deductible needed for our new roof, and added sound absorbing panels to the fellowship hall. We also greatly appreciate the many volunteers who helped with projects. As our 30 plus year old building ages, we frequently have "surprises" of needed repairs throughout the year.

This year we plan to replace the deteriorating flooring in downstairs children's hallway of the education building, install additional drain spouts from the roof to eliminate pooling on the roof, and install a family picnic area in the lower field. We also plan to add to our benevolent funds, and create a contingency fund for both benevolence and the building emergencies. This year's goal is \$65,000.
