As many of you know, Mary and I have been involved in helping a number of Afghan families get settled here in SA. One of those family's stories is told in the GoFundMe link (scan the QR code). His name and some details have been changed or obscured in the story to protect his identity since he still has family in Afghanistan which could be endangered. We think he is going to be OK but will need help with living expenses until he can return to work. Please consider helping out if you can.

We will be taking photos for the church directory **TODAY**, January 15th.

Please come by and let us take your photo. Currently we have had 180 photos taken and we still want more. Thank you for your cooperation!
