CHURCH OF CHRIST

January 16, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

Search Me and Know Me

What if we bowed our heads to pray and said nothing? Is this still considered prayer? For centuries, the practice of examination prayer has been within our grasp but if we are hesitant to reach for it because of what could happen during it: anything! This morning we will explore what it means to explore God's presence in our lives, God's dwelling within us, and inviting God to show us the evil within us where we don't allow him. This exercise can be difficult and sometimes even gut-wrenching, but when done openly, it can be one of the most beautiful and liberating experiences of our lives.
