

## Encouraging Word from a Shepherd

Over the last few days, Twila and I have been reading and talking about the book of Job. Here are some of the thoughts that we've talked about as we have read and studied about Job. All of the things that we have been talking about are not original with us, but perhaps we have come to realize them more keenly.

First of all, God is just and justice is required for all sin. Job's friends pointed this out to him and proclaimed that his troubles and afflictions were as a result of sin. We see these same kinds of things every day. We hear outcries from people who are placing blame and want justice. When we look at the world around us, we see torment from a global pandemic, civil unrest as a result of social injustice, political unrest from a very contentious election, crime, homelessness, hunger, drought...and the list could go on and on. It's easy to see how many people can get bogged down in depression and hopelessness.

Thankfully, God does not rule the world based on justice. While God's justice is true, **GOD'S REIGN IS BASED ON MERCY AND GRACE!** In HIS mercy to us, we are spared the justice and punishment for our sin, and HIS grace we are given new birth into a living hope through the resurrection of Jesus Christ from the dead. It is an inheritance that can never perish, spoil or fade. (1 Peter 1:3-5)

In spite of all the apparent chaos around us, **GOD IS IN CONTROL!** True joy is found in HIM. And so... Seek HIM first! "Be joyful always, pray continually, give thanks in all circumstances; for this is God's will for you in Jesus Christ."

May love, grace and fellowship fill you all!

David Teague

## MOSES IN AN EVER-CHANGING WORLD

The adult class on "Moses in an Ever-Changing World" will resume Sunday in the Fellowship Hall after morning worship.

We will be discussing why Moses -- endowed with positive physical traits, schooled in the best education the world had to offer, and spiritually aware of his heritage and God-fearing family -- violated the law against killing and fled to Midian to take up the life of a shepherd with people he didn't even know. Exodus 3 and 4:1-13.

All adults welcome.
