Thank you!

I would like to thank the church for the condolences for my brothers death and the prayers for my family.

Northwest Church of Christ,
I wanted to thank you for your participation in our annual Christmas bears program. Thanks to your generosity, **over 500 gifts were given, to over 80 foster families during the Christmas season!** Our program is unique in that your gift is a specific request from our children in care and the biological children of the foster families serving these children. You provided a gift that was personalized and not just based on gender and age. Children feel loved AND known! We wish you a blessed 2022 and look forward to your participation in next year's Christmas Bears Program that will kick off in October.

CHURCH OF CHRIST

January 30, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

There is a kind of prayer that many Bible-believing Christians want to say but few actually say it. We love God but we fear him, many to the point that we are afraid to be upset with Him. We sometimes feel like He's not there or at least if He is, He isn't really listening or paying attention to you. This morning we will dive into this dark night of the soul and search deep for the presence of God when we feel so convinced that He's not there.
