As many of you know, Mary and I have been involved in helping a number of Afghan families get settled here in SA. One of those family's stories is told in the GoFundMe link (scan the QR code). His name and some details have been changed or obscured in the story to protect his identity since he still has family in Afghanistan which could be endangered. We think he is going to be OK but will need help with living expenses until he can return to work. Please consider helping out if you can.

Any funds given should go through this GoFundMe account.

No checks will be accepted through NorthWest.

We will be taking photos for the church directory TODAY, January 8th.

Please come by and let us take your photo. If you've had your photo made in the past for our directory, you will still need a new one because we don't have access to them.
