## Update of Nigeria/Cliff Jarrell

Cliff and Nkiru at the request of the government of the state is having to find places for all kids over 18. Two have left for college in Ghana.

They are looking to move to Uyo because there seems to be less violence, and the state there welcomed them with all the children.

They have found a great place in Uyo with more land and facilities than they have now. Initially the owner wanted 3 years rent up front, \$72,000, which was a no go. He now will take one years rent up front, \$24,000. Cliff is asking what the selling price would be. They would sell their present house. There is a possibility the government would lease them unused greenhouses and chicken raising facilities in Uyo.

There is a christian school and many congregations in Uyo.

Pray that if it is God's will that they move, that He would make it happen

CHURCH OF CHRIST

October 10, 2021

## Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

We are so glad you're here!

Something that always needs courage is change. Change is rarely easy nor does it usually come naturally. Nevertheless, this does not mean that it isn't necessary or even that it isn't a good thing.

Change at some point and some level is always needed. The Israelites had lived on the wilderness side of the Jordan river for more than 40 years. Crossing alone was a major step but leaving behind what they had known for so long might have been even a bigger step. This morning, we will see what new world God is currently calling us to cross into as well.
