

I KNOW THE NAME...

But I can't place the face. Soon you will be able to attach a face with the name.

We are in the process of changing over to a new church database, and we need to update the pictures of our members. The photos will be individual photos, but you can also have a family photo if desired. If you would like to place your own photo with your information in the database, that will be possible as well. Our goal is to get everyone's photo into our new database.

We will be taking photos TODAY, and continue over the following few weeks. Photos will be taken after church service and during classes. It shouldn't take long so you will still be able to attend your class. We have converted one of our offices into a "photo studio". You will be able to enter the first door to the left of the main office door. Just follow the signs and SMILE.

THANKS SO MUCH!

Thank you for your generous offerings to help with the building maintenance. You contributed \$43,179.67. While we did not reach our goal, the funds will help with a number of projects. The Building Committee will meet soon to determine our most needed priorities. God has given us a facility that is used by many groups, both by our church family and the community, for a variety of events in addition to our worship services. Events include funerals/memorials, weddings, Bible studies, Celebrate Recovery, food pantry, and for a voting precinct just to name a few. Our church family and the community are always so grateful to have a facility for their needs. Thank you for helping us maintain the facilities for our church family and to reach out to the community.

Thank You Volunteers

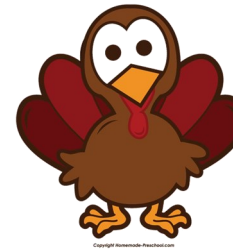

We'd like to thank Briana Tressel, Terri Weaver, Jake Fortenberry, Illa Bennett, Teresa Preza, Deric Long and all of the volunteers that helped at Trunk or Treat this year. There was fun had by all! We could not hold this event for our community if it weren't for you. We've had people graciously give candy, hosts trunks, photos taken, help with hot dogs, run the cotton candy and popcorn machines, face painting, the WatchTeam, set up and take down and all those that served in some way.

THANK YOU AGAIN!
