TURKEYS

In the past, the San Antonio Food Bank has allowed the church to purchase turkeys for Thanksgiving at a reduced cost. Last year our cost per turkey was \$3.50.

The food bank has informed us that they will not have turkeys or hams available for the holidays. Traditionally our members have donated the side items to compliment the turkeys. This year we are estimating that a small turkey will cost \$20-\$25 based on current pricing.

To continue this outreach to our community, we are asking for donations for the cost of turkeys for 200 families. We also will need the following for each family.

2 cans of green beans	2 cans of corn
1 box of stuffing mix	1 dry packet of gravy
1 can of yams	1 dry box of mashed potatoes

Please do not bring items in glass containers.

Please help us fulfill the food pantry mission of Matthew 25:35-37

David St. James
