

AND THEY ALL SURVIVED

About 40 people had their pictures taken for the church directory last week and they all survived.

We will continue to taking photos TODAY as we update the pictures of our members for the new church database. The photos will be individual photos. Our goal is to get everyone's photos in a few weeks. Photos will be taken after church service and during classes. It doesn't take long so you will still be able to attend your class. Enter our "photography studio" through the first door to the left of the main office door. Just follow the signs and SMILE.

ANGEL TREE

Come by the Christmas tree in the main foyer and pick up your Angel Tree tag. The kiddos on our tree will be going to Phar, TX.

You will see there are two tags together. Take the first one, sign the back one and leave on the tree.

These gifts are due back to NorthWest December 4th. They will be picked by the Phar church and delivered.
