What is your Ministry?

Ministries come in all sizes. Just like we are.

Ministries require all types of talents. Just like we have.

Ministries are for all ages. Just like we are.

Ministries, doing God's work, are the lifeline of the church.

If only we knew what ministries are available and which are a fit for us.

Today we will solve that problem.

Each of you will receive a brochure titled "Get Connected". The brochure lists the current ministries at NorthWest and the Ministry Leader for each. We have great ministry teams and leaders, but we need more help. Please spend some time this week reviewing our Ministries and determining which ones are a good match for your talents and interests. If you would like additional information about a specific ministry, please contact the ministry leader listed. Some of the ministries have a brochure describing their work in the main lobby on a stand near the sign "Get Connected". Please take a copy or copies.

Next Sunday you will receive a questionnaire form titled "Opportunities to Serve". We will ask everyone to complete this form by indicating which ministry(s) you are interested in becoming involved. A leader from that ministry will contact you with additional information regarding the ministry and how you can connect.

This week, please Study, Pray, and determine how you can Serve.
