Northwest Church of Christ,

I wanted to thank you for your participation in our annual Christmas bears program. Thanks to your generosity, **over 500 gifts were given, to over 80 foster families during the Christmas season!** Our program is unique in that your gift is a specific request from our children in care and the biological children of the foster families serving these children. You provided a gift that was personalized and not just based on gender and age. Children feel loved AND known! We wish you a blessed 2022 and look forward to your participation in next year's Christmas Bears Program that will kick off in October.

CHURCH OF CHRIST

February 13, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

The Community Creator

There is a deep ache within all of us to experience community of some kind. We long to be around others whether that is with just one person or a large group. But what if we struggle to find community? How might we create our own community around us? The answer shouldn't surprise you: hospitality, but what that entails might throw you for a bit of a loop. You don't need a home to display hospitality. Don't believe me? Then let's take a look at the most hospitable homeless man ever: Jesus.

Help Needed for Refugee Family

We've been asked by the Center for Refugee Services (<https://sarefugees.org/>) to help another refugee family get settled in San Antonio! Our drives in September and November were very successful and we believe that we can do it again! We're looking for donations of gently used furniture and household items to furnish an apartment. Especially needed are queen and twin beds, with sheets/blankets and large area rugs. Also looking for volunteers to help deliver, set up the items and meet the family. If you are interested in teaching English to an Afghan family, there is currently a high demand.

For a complete list of items needed and more details, contact dmhuber78009@gmail.com or 210-542-2164 or scan the QR code provided.
