Prayer Requests:

- ◆ Thanking the good Lord always for answered prayers in our frail lives through our earthly journey. We praise Him and we thank Him for the body of believers here at NorthWest Church. (Soto family)
- ◆ Even tho struggles are many, I am so blessed as God is with me. I ask for prayers to lift me up as it's hard at times. Let me be able to provide for my family by being self-employed, as not being so youthful anymore it's harder to get a job. Forgive me of my sins. (Vicki Damian)
- ◆ I'm asking for prayers of peace. (Terri Weaver)

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

While food is an essential piece of life, God has always worked in and through it. The meals that we see in scripture were designed for far more than physical fueling, it was designed to bring people together and bless them. What do we look for when considering our meals, especially the meals that we value in special ways? We'll be paying special attention to Jesus's ministry for this answer since so many of the stories in the gospels center around a dining table. Let's come together and let's eat.

Help Needed for Refugee Family

We've been asked by the Center for Refugee Services (<https://sarefugees.org/>) to help another refugee family get settled in San Antonio! Our drives in September and November were very successful and we believe that we can do it again! We're looking for donations of gently used furniture and household items to furnish an apartment. Especially needed are queen and twin beds, with sheets/blankets and large area rugs. Also looking for volunteers to help deliver, set up the items and meet the family. If you are interested in teaching English to an Afghan family, there is currently a high demand.

For a complete list of items needed and more details, contact dmhuber78009@gmail.com or 210-542-2164 or scan the QR code provided.
