Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

In January, our messages focused on how we could better connect with God through a richer and deeper practice of prayer. During March, we will focus on our listening: learning how to connect with God through a richer and deeper practice of scripture reading. Today we will draw some practical insights from Psalm 119.
