

A Few Thoughts from a Shepherd

Hello everyone! I hope you are well and staying safe in these times of traveling through uncharted “waters and land.” For some there is a sense of intrigue/opportunity and for others there is anxiety/fear. Our current situation is unique and different from what others experienced in the past because of the times in which we live. Yet there is a sense we also have much in common with the past from which we can learn. God’s people have always been challenged with uncertain and intriguing times. I encourage you to spend time during these days to read the stories of God’s people to learn how to respond (and how not to respond) to what life presents. I particularly encourage you to spend time this week revisiting the story of Joseph in Genesis. To see how a young man who “had it all” to lose it, but God worked through Joseph’s loss to reveal His power, love, grace and restoration! May we all continue to seek God’s Wisdom and Power each day and to always be encouraged by this promise: “And behold, I am with you always, to the end of the age.”

(Matthew 28:20b - ESV) Grace and Peace, Frank W.

What are people praying for Covid-19?

- We are praying for God’s deliverance, that families lives are changed in a positive way by having the opportunity to stay home and learning to appreciate family time.
- We’re praying for the children and the older people that don’t have anyone and that God will keep them safe.

We have prayer warriors that want to be praying for you. If you have a prayer request, call the church office at 210-688-3002 or email office@nwchurch.us.
