- ♦ Woody and Debbe Woodward – Debbe's brother-in-law-stroke.
- ♦ James Chambers – That God and Jesus will open up doors for me and let me have, get interviews for jobs that suit me better. Thank you.

### Interim Ministry Partners

You should've received an email earlier in the week that describes what is happening at NorthWest with IMP. One of the things that they have asked us to do is to fill out a congregational survey of health and wellness. Please use the QR code below to find the survey. If you would take the time to fill out this survey, we would greatly appreciate it and remember, all responses are anonymous. The results from the survey will be analyzed by IMP and shared with our Shepherds. This survey is now open and will close June 5.

CHURCH OF CHRIST

### Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

Have you ever felt you were at the end of your rope? Ever feel like giving up? There are times when we face enormous difficulties that on the surface appear too much to handle. So what do we do? Let's see what the Apostle Paul told the church in Corinth about handling those moments when faced with bothersome people and troublesome events.

### *Farewell Potluck for the Lankford's*

There will be a potluck luncheon in the Fellowship Hall **TODAY** following class to say farewell to Casey, Ashley, Audrey, Addy, Gatlin, and Millie before they move to Katy, TX. Bring some of your favorite dishes to share with our North West family.

### Farewell to the Lankford's

"Today we say "Farewell (for now)" to Casey, Ashley, Audrey, Addison, Gatlin and Millie. With any farewell there are mixed emotions as we are sad to see them move, but we are excited with them and for them in their new journey. We have been blessed in many ways by their dedication, teaching, work and friendship in the almost 4 years years they have been a part of our family at NorthWest. We give thanks and praise to God for allowing our paths to cross and the opportunity we shared in partnering in the Gospel. However, we know the beauty of being a part of God's Kingdom and His story is we can share in the joy and excitement with our fellow believers and brothers/sisters at Cinco Ranch in the blessings Casey and Ashley along with their family will provide for the body at Cinco Ranch and Kingdom in the Katy area. May God our Father, Protector, Comforter and Rock give the them many blessings, hope, peace and joy in their new ministry and home!"
