Interim Ministry Partners

You should've received an email earlier in the week that describes what is happening at NorthWest with IMP. One of the things that they have asked us to do is to fill out a congregational survey of health and wellness. Please use the QR code below to find the survey. If you would take the time to fill out this survey, we would greatly appreciate it and remember, all responses are anonymous. The results from the survey will be analyzed by IMP and shared with our Shepherds. This survey is now open and will close June 5.

CHURCH OF CHRIST

May 29, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

Unity at times seems so hard or distant that it feels impossible. The truth is we cannot achieve it for anyone else but ourselves. Jesus is the ultimate example of this, especially in his final hours. Today we look to him to see what true unity looks like and how he invites us to follow his example.
