

Prayer Requests:

- ◆ James Chambers – Thank you for praying for me and for me to get a new and better job. God has shown me what I need to improve on. Please continue to pray for me a job that is more suited for me. Also, please pray for me that I may put my everything into God and Jesus and have that need for more. That I may focus on them to help me out in everything and in life. Thank you so much!
- ◆ Quinn Britt – Thanksgiving for my survival and progress from COVID. Prayers for continued healing of my wound and the nerve damage in my arms and hands.
- ◆ Our deepest sympathy to Dan and Mary Huber in the passing of Dan's father Wednesday morning with his family singing hymns in his room. Please pray for his mom and all their family as they mourn their loss.
- ◆ Joelle Jarrell Roibal (former member) — One of my best friends Julietta's daughter (Isabel) had a stroke a week and half ago while in New Mexico visiting and was airlifted back to Abilene. She has been moved to a rehabilitation center since the stroke has affected her right side and she is unable to walk or use her right arm/hand. Please pray with us for God to heal Isabel in brain and in body.
- ◆ Please be praying for the family of Doris Charleville as she passed from this earth Wednesday evening. She has been a long time member here at NW and graciously opened her home to so many of us throughout the years. Doris loved people well.

CHURCH OF CHRIST

June 12, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

What are the most important teachings of our faith as followers of Jesus? It's easy to get lost in lesser matters and lose sight of what is critical. In times of transition—and always—it is vitally important to keep focused on what Jesus and the apostles emphasized. Join us this Sunday as we remind ourselves of the one thing that matters most.

“Adopt a Project” at NorthWest

Have you seen the “Adopt a Highway” signs along many roads? Many companies, groups and even individuals “adopt” a section of a highway to help eliminate trash in an assigned section of a highway.

Here at NorthWest we have a number of areas or projects that periodically need attention. Have you ever seen something in the church building or our grounds that needs attention and said, “Someone should fix that.”? Maybe that “someone” could be you. We are initiating an “Adopt a Project” which allows families, groups, and/or individuals to ‘adopt a project’ and help with things needed to maintain and improve our facilities. A family, group or individual can select a specific project and perform the needed tasks on a periodic basis.

Some projects you might want to help with:

- Maintain a small area of our outside grounds
- Help install baseboards
- Paint
- Help replace ceiling tiles
- Clean a section of chairs in the auditorium
- Or any items you notice that needs attention

If you are willing to serve in our “Adopt a Project” program, please contact John or Deloris Flint, Terri Weaver, or Twila Teague.
