CHURCH OF CHRIST

**June 26, 2022**

### Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

What makes you feel generous? What creates a desire in you to share what you have? Is it graceful behavior by others towards yourself? Or perhaps the influence of those around you? Some of us are more generous when we are part of a group that practices generosity. Maybe observation of a deep need in someone or group causes you to want to give of yourself and your resources. People tend to be generous if they live among others who are generous. If they live among selfish people—not so much. Today we will examine with the apostle Paul the idea that grace motivates us to be generous.

## “Adopt a Project” at NorthWest

Have you seen the “Adopt a Highway” signs along many roads? Many companies, groups and even individuals “adopt” a section of a highway to help eliminate trash in an assigned section of a highway.

Here at NorthWest we have a number of areas or projects that periodically need attention. Have you ever seen something in the church building or our grounds that needs attention and said, “Someone should fix that.”? Maybe that “someone” could be you. We are initiating an “Adopt a Project” which allows families, groups, and/or individuals to ‘adopt a project’ and help with things needed to maintain and improve our facilities. A family, group or individual can select a specific project and perform the needed tasks on a periodic
