

Prayer Requests:

- ◆ May the Holy Spirit strengthen all our faith. May Gods love and healing be with all the families that are hurting. (Jesse and Rosa Rosales)
- ◆ Please pray that my eye will completely heal from recent cataract surgery. I am concerned that it does not seem to have made any difference in my vision. (Quince and Gayla Fryar)
- ◆ Donna DaLuz—Chest cough and a little fever.
- ◆ Meaghan Loney—Pray for Uvalde as the town grieves, heals and attempts to move on and for the rest of us, that we won't project our political views and hatred on this horrible situation.

Interim Ministry Partners

You should've received an email earlier in the week that describes what is happening at NorthWest with IMP. One of the things that they have asked us to do is to fill out a congregational survey of health and wellness. Please use the QR code below to find the survey. If you would take the time to fill out this survey, we would greatly appreciate it and remember, all responses are anonymous. The results from the survey will be analyzed by IMP and shared with our Shepherds. This survey is now open and will close June 5.

CHURCH OF CHRIST

June 5, 2022

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning.

We are so glad you're here!

We live in a world of anxiousness, uncertainty, complexity and in some sense despair/hopelessness. And, whether we want to admit or not we sometimes allow these emotions to creep into our lives at times because of the situations/circumstances in which we find ourselves. If we allow these emotions to affect our decision making and conduct we will become spiritually paralyzed and more than likely "give up." So, are these feelings we may be struggling with at this time unique to our time and place? Have those who have gone on before us felt these emotions?

If so, how did they respond? Today we will look at the story of *Pentecost* in Actus 1-2 to see how the early Church responded to experiencing these emotions and what we can learn from them as well as looking at others who have gone on before us. We will see that our story can be one of hope, confidence and assurance because of what God has done for us through the living hope of Jesus and the power of His Spirit!

“Adopt a Project” at NorthWest

Have you seen the “Adopt a Highway” signs along many roads? Many companies, groups and even individuals “adopt” a section of a highway to help eliminate trash in an assigned section of a highway.

Here at NorthWest we have a number of areas or projects that periodically need attention. Have you ever seen something in the church building or our grounds that needs attention and said, “Someone should fix that.”? Maybe that “someone” could be you. We are initiating an “Adopt a Project” which allows families, groups, and/or individuals to ‘adopt a project’ and help with things needed to maintain and improve our facilities. A family, group or individual can select a specific project and perform the needed tasks on a periodic basis.

Some projects you might want to help with:

- Maintain a small area of our outside grounds
- Help install baseboards
- Paint
- Help replace ceiling tiles
- Clean a section of chairs in the auditorium
- Or any items you notice that needs attention

If you are willing to serve in our “Adopt a Project” program, please contact John or Deloris Flint, Terri Weaver, or Twila Teague.

Food Pantry Needs
If you have plastic grocery bags and would like to donate them to the Food Pantry, please drop off at the church office.
