

Prayer Requests:

- James Chambers—With this new job, that God/Jesus will continue to let me have Sunday mornings off so I can continue to worship God and be with my church family. That work will work with me so I will be able to go to life group. That I may continue to grow better and stronger in God and Jesus. Pray for Brother Nat with his work and working situation.
- Ashbaugh family—Please continue to pray for my family.
- Quinn Britt—Thanksgiving for my ongoing recovery from COVID! God has answered prayers for progress on my stalled wound healing! Please pray for ongoing wound healing and for continued progress with the nerve damage in my arms and hands.
- Praise! Terri Weaver got a good report on her blood work.

Sunday Evening Worship

Everyone is invited to come hear Russ Baley speak on the woman who was healed by touching the hem of Jesus robe. Who was she and what is the message? Come meet with us Sunday Evening Sept. 11th at 6:00pm in the Fellowship Hall. You won't want to miss this message.

The Women's Ministry is coordinating the Magi Box project (similar to Samaritan's Purse Christmas shoe-box) for the border this year. Starting September 18th, boxes with an instruction page inside will be available in the foyers.

We are filling them for boys or girls ages 8 and older. They already have enough boxes for the little ones. The boxes will be due October 23. Our goal is 200 boxes. We hope you can participate.

Welcome!

Good morning and welcome to the NorthWest Church of Christ! We are so glad you have joined us this morning as we approach the throne of our God. If you are new to our church family, then please let us know as we would love to meet you and pray blessings over you and anyone else who has come here with you. We are thankful you have chosen to spend time with us and God this morning. We are so glad you're here!

As Jesus makes his way toward the cross, he challenges his followers with their preconceived values and prejudices and views of the Messiah. Join us this week as Jesus gives a surprising answer to the question, "how do we inherit eternal life?"

Children's Giving

Starting October 2nd, we encourage all children to bring their coins to give to the Casa Hogar Orphanage. Before SonShine Hour each week they will have the opportunity to bring their money and drop it in the bucket at the front of the auditorium. Watch for new needs as they arise.

SAVE THE DATE OCTOBER 9TH

It is nearly time for our Fall Special Offering which is primarily used to maintain, repair, refresh, and update our almost 40 year old aging facility. Throughout the year we receive, from our members and visitors, many suggestions that address the building needs. These ideas are collected, documented, reviewed, and prioritized by the Building Committee.

Our last collection was in 2019 before COVID. With those generous funds, donated materials and labor from our members, we were able to address these major projects.

1. *Repaired the children's restrooms*
2. *Replaced flooring in 5 children's classrooms*
3. *Repaired leaking roofs areas and gutters*
4. *Painted rusting railings and doors*
5. *Replaced the damaged planter in nursery foyer*
6. *Painted offices*

Please read the bulletin and listen for announcements regarding the projects proposed for the coming year.

We thank you for your prayers and giving that helped our projects in the past. Please pray and plan to help support the new maintenance projects.

Thank you,
The Building Committee

September – November Adult Classes Studies

Starting the 11th of September and running through the end of November, there will be a new curriculum for adult Bible classes on Sunday mornings. The curriculum is based on material contained in the document "Discovering NorthWest".

The first lesson, on the 11th of September, will be in the main auditorium for all adult classes. The subject is the history of the NorthWest Church of Christ and will be taught by Kim Jarrell, a member at NorthWest since its inception. The following six weeks adult classes will meet in their individual classrooms to study Biblical based Central Beliefs presented in the document. The next 3 weeks classes will study/discuss the Congregational Relationship covenant and the congregational vision.
