ATTENDANCE CHECK-IN

Visitors and Members

Tell Us You're Here - we have a new way of checking in your family attendance. Look for a visible QR code in the pocket in front of you. Use your smart phone camera to go straight to the available form. We are hoping this will help us in many ways. We ask that for the first few weeks, you fill in all the information asked for. We are trying to make sure we have your correct information.
